

JA-154JMS

Order No.: 0047310

Price upon request

PRODUCTINFOS

Wireless hand-held transmitter,

bi-directional, 4 buttons.

- Matching the JA-100 system
- Bi-directional wireless remote control with 4 buttons for arming/disarming the alarm control panel, triggering a panic alarm and for controlling/activating PG outputs of the JA-100 system
- LED status indication (red, yellow, green)
- Audible signal when pressing the buttons or carrying out a function
- The wireless hand-held transmitter can be registered with multiple JA-100 systems at the same time, thus several alarm systems can be controlled via one wireless hand-held transmitter
- Keylock function, can be activated if required
- Supplied with battery
